## **ANIMAL DEFICATION**

Please be considerate when walking your animals around Town and pick up after them. With spring comes piles of feces being discovered that were left behind. Our animal control bylaw speaks towards failure to pick up after your animals. Let's all play our part in keeping Lemberg a community that is clean and safe for everyone!

## **WE ARE HIRING**

The Town of Lemberg has three job opportunities available! There are two positions for Day Camp Attendees and one for Public Works Labourer.

Qualified applicants should submit their resumes in person, mail, or e-mail by June 9, 2023. To view the full job description, please visit our website.

## **CONDOLENCES**

On behalf of Council, Administration and the Town, we extend our sincere condolences to the Fowler family for their loss.

## **LAST CALL - ADOPT A PLANTER**

This year the Town would like to allow residents to show off their green thumb! Participants are responsible for planting the flowers and maintaining the planter for the summer. Rain barrels will be available for ease of watering. As part of this program, we ask participants to prune, weed, and maintain their planters throughout the season. Nameplates with each volunteer or group name will be placed with the planter. To date, ten planters have been adopted. Get our name on the list today!

## **CALLING ALL TRADES PEOPLE**

A local entrepreneur, Marie Smith, is wanting to organize 2 open air markets along Main Street. Marie is encouraging any interested vendors to contact her.

You can also stop by her place at 302 Rose Street on May 20 during the community garage sale.

## **BOULEVARD POLICY**

Residents are reminded that the Town has policy 700-7 in place, which states the following:

It is the responsibility of the property owner for the upkeep of the boulevards to maintain the current state, whether it is grass, dirt, or gravel/rock.

- a. If there is grass, ensure it is mowed.
- b. If there is dirt or gravel/rock, ensure that it is weed free.
- c. Ensure debris is not put on the streets.

Please contact the town office if you have any questions regarding this policy.

## **MAIL-IN BALLOT BYLAW**

Responses are still needed to proceed with passing a Mail-In Ballot Bylaw. Due to the complexity of providing this option to residents, Council requests feedback from those interested in participating. To date, no responses have been received.

Responses will be received until May 31, 2023 after which a decision will be made on proceeding with the bylaw or not.
