

THE LEMBERG STAR

Vol. 2023-09 | **September 1, 2023**

“In every community, there is work to be done. In every nation, there are wounds to heal. In every heart, there is the power to do it.” — Marianne Williamson

VOLUNTEER RECOGNITION

Thank you to this month's STARS:

K&K KITCHEN PAINTING: The Town would like to thank all those who put their name forward to help with the painting of K&K! On August 14, 2023 four volunteers (Heather Johnston, Murray Clarke, Shelly Krahenbil, and Andrea Goebel) were present to prime and paint the building. A special thanks to Larry Pattison for the use of the Genie!

Please let the office staff know if you know someone who has gone above and beyond to beautify or make our community safer.

LEMBERG FIRE DEPARTMENT REMINDER

With Harvest here, LFD would like to ask growers to help us in an emergency! If you have a water trailer, please have it filled and available. With the drier weather, finding a water source promptly is more difficult. With a water trailer available, it will ensure the trucks can stay running without having to pause due to water shortages.

SMS, PHONE, OR EMAIL NOTIFICATIONS

The Town has signed up for SMS, phone, or e-mail notifications for emergent matters, such as well outages, boil water advisories, limit water consumption notifications, public meetings, etc.

If you would like to sign up to receive these notifications, please e-mail or phone the Town office with the following information:

- Name
- Phone number
- E-mail (if preference is e-mail)
- Preference of receiving notification:
 - Text
 - Phone call
 - E-mail

FAIRWELL NIKITA AND AIMEE

Nikita finished his summer employment on August 25, 2023. Aimee rounds out her employment on September 26, 2023. Good luck with your future endeavours!

FAIRWELL PETER

August 25, 2023 marked Peter's retirement date as he walks a new chapter in his life. Peter started his employment on January 8, 2018, bringing experience, expertise, and new ideas.

Council and Staff wish him well as he embarks on his new journey.

TAXES

As a reminder, taxes are due November 30. Taxes not paid by this date are subject to a penalty automatically applied on December 1, 2023. Penalties will not be waived. The Town continues to accept cash, cheques, e-transfers, post-dated cheques, pre-authorized payments (PAP) and online payments.

SAFE HARVEST

Harvest has started, and with that comes slower-moving equipment. A friendly reminder to pull over when approaching large equipment and pass only when safe to do so. Many are not travelling far and the few extra minutes of waiting could save someone's life.

Have a safe and bountiful harvest everyone!

EMPLOYMENT OPPORTUNITY

The Town of Lemberg is accepting applications for a Public Works Assistant. This seasonal full-time position is from October 1, 2023, to October 31, 2024, 8 hours per day, **for succession planning purposes**. Under the general direction of the Town Foreman, the Public Works Assistant is accountable for carrying out all assigned duties within the Public Works Department safely and efficiently.

For more information, please contact the Town office or visit our website.

REPORTING STREETLIGHT ISSUES

Streetlight outage? Damage to a streetlight? No need to contact the Town office. If you're connected, download the SaskPower app and report it or call SaskPower at 1-888-757-6937.

SHOP LOCAL

Lemberg is very fortunate to have so many local businesses which support economic growth throughout our community! Supporting local ensures our community stays vibrant, progressive, and businesses keep their doors open.

In addition to our storefront businesses, we have many businesses out of private homes. If you have a home-based business, please get in touch with us!

Please check our website for local and rural businesses. See a business missing? Contact us!

LEMBERG FIRST RESPONDERS

The Medical First Responders in Lemberg will soon have a means for you to provide critical health information in the event you call 911 for an ambulance. "My Health Record" is a large pill bottle holding a fridge magnet and a form for you to complete.

Once completed, put the magnet on your fridge and the bottle with the information sheet in your fridge door. It is our goal to supply every household in Lemberg and Lemberg rural with this timesaver.

Your "My Health Record" will be available for pick up at the Town Office as of September 12. The capsules are free of charge but a small donation to cover our costs would be appreciated.

ADMINISTRATORS CORNER

September 13, 2023 marks year two of working within Lemberg. I have learned a lot throughout these years and will continue to learn as I strive to become an expert in the municipal field. Lemberg is a charming, unique, vibrant, and welcoming community that continually receives compliments from visitors.

The work and dedication I have witnessed from volunteers, community boards, and residents is inspirational. Sweat equity goes a long way in showcasing a prideful Town, and while some efforts are behind the scenes, each one matters. August was filled with events that showcased just that!

Lemberg has much growth potential with community collaboration, innovation, and progressive thinking. After all, the future belongs to those who dare to dream and act to make those dreams a reality.

Welcome to all new residents that have moved here in 2023! I hope you stay long and enjoy the beauty that Lemberg offers you and your loved ones.

My door remains open for conversation, concerns, comments, or suggestions. I truly want to hear about all residents' improvements, suggestions, and ideas. Informing the office allows for action and provides knowledge to staff and the Council in a streamlined manner that creates impact.

CONDOLENCES KANCIRUK FAMILY

On behalf of the Council, Administration and the Town, we extend our sincere condolences to the Kanciruk family for their loss.
