

THE LEMBERG STAR

Vol. 2021 – 10

TOWN OF LEMBERG, SASKATCHEWAN

December 31, 2021

Let our New Year's resolution be this:

We will be there for one another as fellow members of humanity, in the finest sense of the word

- Goran Persson

VOLUNTEER RECOGNITION

Thank you to this month's **STARS!**

Bev Lange – During Peter's holidays, Bev saw the sidewalk at the hall needed attention and went into action.

Todd Poier – for his dedication to the Town and once again assisting with an emergency water situation.

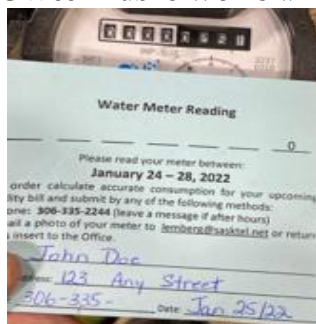

SUPERSTARS:

North Valley High Students are true **SUPERSTARS**. They were busy around town one cold December day delivering cookie mixes and handmade Christmas cards, singing carols and shoveling snow. Your kindness warmed many hearts. ***THANK YOU SO VERY MUCH!!!***

If you know of someone who has gone above and beyond in beautification of, or making our community a safer place, please let the office staff know.

MONTHLY RESIDENT METER READINGS - CLARIFICATION

As announced last month, we have moved to **monthly, resident reported** meter readings. For consumption accuracy, take your readings at the same time every month according to the dates noted on the cards. The preferred method for reporting is a photo of the meter **with** the monthly meter card as in the sample shown. Your photo should be emailed to lemberg@sasktel.net. For those who cannot submit a photo, return your meter card to the Town Office. Public Works will perform on-site meter reads twice annually only at residences without photos. Thank you to those who have given positive feedback on this initiative confirming we're on the right track.

SUPPORT LOCAL

Residents are once again encouraged to shop locally whenever possible. The viability of our community is dependent on our local businesses and the viability of our businesses is dependent on our community ... they go hand in hand.

2022 LORAAS SCHEDULE

For your convenience, a 2022 Loraas pickup schedule has been enclosed. On the reverse you will find the current chart of acceptable plastics to put in your recycling cart. Please pay particular attention to the items **NOT ALLOWED** and place them in the garbage. Items that shouldn't be placed in recycling can impact acceptance for recycling at the collection facility and render the load as garbage. Please keep this insert handy for future reference. You may also visit www.loraas.ca for further information.

Special note: If you find your cart has been damaged during pickup by Loraas, please contact the Town Office so we can have it replaced.

ADMINISTRATOR'S MESSAGE

That's a wrap on the year 2021. A massive dose of joy and happiness is what we all need right now. It's been a crazy year, but we made it through it. We are stepping into a new year, being more robust than ever as a community. **I would like to hear from you on one initiative you would like to happen in the Town of Lemberg within the next two years.** Happy new year Lemberg and I look forward to what this year will bring!

LEMBERG FRIENDSHIP CLUB

Wishes everyone Merry Christmas & a Safe Happy New Year! Their doors are open again with Monday Morning Coffee 9:00-11:00 a.m. serving our community. Welcome baskets were presented to 9 new resident homes! Please see Lemberg Area and Events page for their upcoming events, contact Judy Janiskevich 306-335-2216, or visit them for coffee hour and receive a list of events!
